

# Town Hall - Guns in Schools - WOAI San Antonio

by *Larry Arnold*

"Thursday night, July 11, 2013 **News 4 San Antonio** held a Town Hall meeting to discuss "the issue of school safety, including whether or not guns should be allowed on campuses." Now you can watch the complete hour and a half program on demand below.

The San Antonio News 4 Town Hall on Guns in School is apparently no longer available on the station website. TCHA has a copy at [town hall-guns in schools woai.mp4](#). Video, 1.5 hours.

Panelists included Brian Woods, superintendant of Northside ISD; Ed Garza, board president of San Antonio ISD; Larry Arnold, TCHA; and Josh Felker of Lone Star Handguns. Also, called from the audience, Dr. Ann Isenberg, UTSA; and Sheriff Susan Pamerleau, Bexar County.

The Town Hall actually wasn't about *whether* guns should be in schools. The discussion turned out to be *who should carry* guns in school.
